**Appointment as Preferred Tenderer – Bardoc Gold Project**

GR Engineering Services Limited (ASX: GNG) (GR Engineering) is pleased to announce that it has been appointed preferred tenderer by Bardoc Gold Limited (ASX: BDC) (Bardoc) in relation to the engineering, procurement and construction (EPC) contract for the processing facility and associated infrastructure at its 100% owned Bardoc Gold Project (the Project).

GR Engineering has signed a letter of intent with Bardoc, with the commencement of work under the proposed EPC contract remaining subject to board approvals, project financing, statutory approvals and final contractual pricing and terms.

Commenting on GR Engineering's appointment as preferred tenderer, Mr Geoff Jones, Managing Director said:

*"GR Engineering is pleased to have received the letter of intent and to have been selected by Bardoc as the preferred tenderer for the delivery of the Bardoc Gold Project. Our clients are increasingly seeking certainty and a track record of performance and GR Engineering has been able to demonstrate this to Bardoc, including by reference to its successful project outcomes in the Western Australian gold sector. We look forward to working with the Bardoc team on this important project."*

Ends.
